We have been informed that a maximum of two (02) opportunities are available for Sri Lanka. Therefore, you are kindly requested to select the most suitable officer from your organization, ensuring that the programme content is directly relevant to the official duties of the nominated officer. The relevance of the training programme to the nominee's current responsibilities will be critically assessed during the screening process conducted by the High Commission of Malaysia.

Please be advised that the following procedures will apply when submitting applications for the Malaysian Technical Cooperation Programme (MTCP). Further, the guideline for the application process is attached herewith for your reference.

- Only completed applications submitted through the MTCP website at <https://mtcp.kln.gov.my/courses2/list2> will be considered. Applicants must select the course name and click "Apply Course" to generate a new application form.
- Applicants are required to complete the online application form, upload a passport-sized photograph, and provide a self-introduction video as mentioned in the brochure.
- Candidates must complete the MTCP application form meticulously, ensuring that no fields are left blank and that all information provided is accurate. Incomplete applications will be rejected without undergoing the screening process.
- Please ensure that a duly signed printout of the completed online application, together with the required supporting documents, is submitted to the Department of External Resources on or before the stipulated deadline for the endorsement process.
- Incomplete and/or unendorsed applications will not be considered.
- Successful candidates will be notified by the Institute of Diplomacy and Foreign Relations one (01) month prior to the commencement of the course.
- **The first two (02) applications will be processed on a "first come, first served" basis**, taking into account the relevance of the applicant to the programme. Once the first two applications are forwarded to the High Commission of Malaysia in Sri Lanka, the application status on the web will be marked as closed.

Please note that **any cancellation or withdrawal of nominations after selection will not be accepted**. Such withdrawals may require repayment of air ticket cancellation charges or the full airfare, along with any other administrative costs incurred, depending on the circumstances.

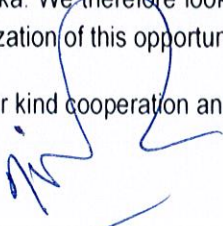

The Government of Malaysia will provide the following facilities to participants selected for the in-person training programme:

- Return Air Ticket (Economy Class) from Colombo to Malaysia
- Course Fees
- Accommodation
- Daily Allowance and Meals

Please note that the final decision regarding the acceptance of applications/nominations rests solely with the Government of Malaysia, and only selected candidates will be notified through the Department of External Resources and the High Commission of Malaysia in Sri Lanka.

This training programme presents a valuable opportunity for public sector officials and for the Government of Sri Lanka. We therefore look forward to receiving a strong and competitive list of nominations to ensure the maximum utilization of this opportunity.
